

Certification of analysis

ALGAMAL Goldi N.P.K (19 19 19)

This certificate is to confirm that (ALGAMAL Goldi N.P.K 19 19 19) is manufactured by (UNIVERSAL AGROCHEMICAL) for agriculture service and to confirm that this fertilizer is free from any heavy metals, radiations and free from any extraneous materials.

Physical properties

| | |
|----------------------|---|
| color | creamy |
| Physical state | Homogeneous powder free from extraneous matters |
| pH value (5% /D.W) | 5 - 6.5 |
| Explosively | Non explosive |
| Solubility in water | 100 % soluble |
| Corrosion properties | Non corrosion |
| Storage stability | Five years under normal conditions of storage |

Chemical analysis

| | |
|---|----------------|
| Total Nitrogen (N) | 19 % (w/w). |
| Phosphorus (P ₂ O ₅) | 19 % (w/w). |
| Potassium (K ₂ O) | 19 % (w/w). |
| Sulfur | 6.8 % % (w/w). |

- Expiry date Five years from production date.
- Country of origin Egypt.
