

## Certification of analysis

### ALGAMAL Goldi N.P.K (6 6 40 )

This certificate is to confirm that (ALGAMAL Goldi N.P.K 6 6 40 ) is manufactured by (UNIVERSAL AGROCHEMICAL ) for agriculture service and to confirm that this fertilizer is free from any heavy metals, radiations and free from any extraneous materials.

#### Physical properties

color	creamy
Physical state	Homogeneous powder free from extraneous matters
pH value (5% /D.W)	5 - 6.5
Explosively	Non explosive
Solubility in water	100 % soluble
Corrosion properties	Non corrosion
Storage stability	Five years under normal conditions of storage

#### Chemical analysis

Total Nitrogen (N)	6 % (w/w).
Phosphorus (P <sub>2</sub> O <sub>5</sub> )	6 % (w/w).
Potassium (K <sub>2</sub> O)	40 % (w/w).
